EPSON®
EXCEED YOUR VISION

1. Feature available for iOS® devices and Android™ devices running Android 10 or later. | 2. Only works with iOS devices. | 3. Paper savings depend on the text and graphics printed on the receipt | 4. Rated printhead and cutter lives are only estimates based on normal use of the printer with the following media only, with printer operated at room temperature and normal humidity: Model KT55FA: Papierfabrik August Koehler SE; Model PD160R: Oji Imaging Media Co., Ltd.; Model TF50KS-Y: NIPPON Paper Industries Co., Ltd. Epson's statements about reliability levels are not warranties of the media or Epson's printers, and the only warranties for printers are the limited warranty statements for each printer. See www.epson.com/testedmedia for more information on Tested Media. | 5. Epson's statements about reliability levels are only estimates based on normal use of the printer using tested media only. See www.epson.com/testedmedia for more information on Tested Media. These reliability statements are not warranties of the media or Epson's printers, and the only warranties for printers are the limited warranty statements for each printer.

How They Work

Designed exclusively for today's advanced retail and hospitality environments, these cutting-edge, single-station thermal receipt printers easily connect to traditional and mobile POS systems.

EPSON®
EXCEED YOUR VISION

mSERIES POS PRINTERS

Tablet not included.

Innovative Solutions for Your Business

Epson's mSeries thermal receipt printers deliver robust connectivity in a sleek, compact, modern design. Engineered to meet the demands of even the busiest environments, these powerful printers offer multi-interface options, including USB, Ethernet, Serial, Bluetooth® and wireless, and select models allow connections up to four POS peripheral devices. All models are available in black or white and feature interchangeable covers so you can choose between top or front load configurations.

OmniLink® mSeries Intelligent Printers

Compact. Versatile. Powerful.

OmniLink Intelligent Technologies

OmniLink technology is available in the mSeries family of products.* Embedded Server Direct Print technology enables mSeries printers to retrieve data from the Internet, so you can provide online ordering to your customers. mSeries OmniLink models** also offer the ability to charge smart devices and communicate data[1] using a single USB cable. Plus, USB-Network-Tethering[2] (available on select models) provides stable wired network connectivity from the printer to a tablet, eliminating potential Wi-Fi connection dropouts, so orders can be processed more effectively and efficiently.

* Only select mSeries products are OmniLink, the m30II and m10 are not.
** Only select m50 Bluetooth model features the Charge, Data Communication and USB-Network-Tethering feature.

OmniLink TM-m50
3" Intelligent Thermal Receipt Printer

- Triple-interface connectivity; Built-in USB + Ethernet, Serial, Bluetooth and wireless options available
- Supports up to three POS peripheral devices (Bluetooth model only)
- Prints up to 350 mm/sec
- Paper saving functions reduce paper usage by up to 49 percent[3]
- Reliability: 200 km printer head life[4], auto cutter life of 2.2 million cuts[4]
- 4-year limited warranty

OmniLink TM-m30II-SL
3" Intelligent Thermal Receipt Printer with Tablet Mount

Tablet not included.

- Connectivity; USB + Ethernet + Bluetooth
- Supports up to four POS peripheral devices
- Prints up to 250 mm/sec
- Paper saving functions reduce paper usage by up to 30 percent[3]
- Reliability: 150 km printhead life[5], auto cutter life of 2.2 million cuts[5]
- 2-year limited warranty

OmniLink TM-m30II-h
3" Intelligent Thermal Receipt Printer

- Dual-interface connectivity; USB + Ethernet, Bluetooth and wireless options available
- Supports up to four POS peripheral devices
- Prints up to 250 mm/sec
- Paper saving functions reduce paper usage by up to 30 percent[3]
- Reliability: 150 km printhead life[5], auto cutter life of 2.2 million cuts[5]
- 2-year limited warranty

OmniLink TM-m30II-NT
3" Intelligent Thermal Receipt Printer

- Dual-interface connectivity; USB + Ethernet
- Supports up to two POS peripheral devices
- Prints up to 250 mm/sec
- Paper saving functions reduce paper usage by up to 30 percent[3]
- Reliability: 150 km printhead life[5], auto cutter life of 2.2 million cuts[5]
- 2-year limited warranty

Standard mSeries Printers

TM-m30II
3" Thermal Receipt Printer

- Dual-interface connectivity; USB + Ethernet, Bluetooth and wireless options available
- Supports one POS peripheral device
- Prints up to 250 mm/sec
- Paper saving functions reduce paper usage by up to 30 percent[3]
- Reliability: 150 km printhead life[5], auto cutter life of 1.5 million cuts[5]
- 2-year limited warranty

TM-m10
2" Thermal Receipt Printer

- Interface options include USB, Ethernet, Bluetooth and wireless
- Prints up to 150 mm/sec
- Paper saving functions reduce paper usage by up to 30 percent[3]
- Reliability: 100 km printhead life[5], auto cutter life of 1 million cuts[5]
- 1-year limited warranty
