

Why upgrade from Speak 710 to Speak2 75

- Packed with the very latest technology for a dramatically more powerful and natural audio experience.
- World's first Microphone Quality Indicator to show how loud or unclear the voice is being picked from anywhere in the room.
- Over 100% longer battery life to enjoy more than a full day of calls and music*.
- Faster connectivity, easier setup and more flexibility.

*Up to 32 hours battery life compared to 15 in Speak 710.
